NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

COPART INC.,

Plaintiff,

vs.

CRUM & FORSTER INDEMNITY
COMPANY¹, UNITED STATES FIRE
INSURANCE COMPANY, and DOES 1-10,

Defendants.

Case No.: C 07 2684 CW (EDL)

**US FIRE'S OBJECTIONS TO COPART'S
EVIDENCE**

Date: August 21, 2008

Time: 2:00 p.m.

Action File: March 20, 2007

Trial Date: November 10, 2008

AND RELATED COUNTERCLAIM

¹ Dismissed by Order Upon Stipulation (6/15/07)

OBJECTION #1**(LARSON DECLARATION, VOLUME III, EXHIBIT G)**

US Fire objects to Exhibit G to the Larson Declaration (Vol. III).

The document is not authentic. (FRE 901.) The document purports to be a September 14, 2005 statement of values. However, as established at the deposition of Simon Rote, the document is a *modified version* of a September 14, 2005 statement of values. After the hurricane on October 24, 2005, Rote took a September 14, 2005 statement he had received from Marsh and added additional values to it—including values for Yard 105. (Exhibit A hereto, 183:11-24). On November 1, 2005, Rote emailed the revised statement to Marsh, but he did not change the date on the statement. (Id. at 183:25-184:6, 185:8-13; Exhibit B hereto.) As Marsh confirmed in a later email, the date on the document is incorrect, and neither US Fire nor Marsh received the document on September 14, 2005 or any other time before the loss. (Id.; Streacker Decl., ¶¶ 10-13.)

Because the document was not in US Fire's possession at the time of the loss, it is not the "schedule" that was "on file with the company" at the time of the loss. Consequently, it is irrelevant. (FRE 401.)

OBJECTION #2**(LARSON DECLARATION, VOLUME II, EXHIBIT G)**

US Fire objects to Exhibit G to the Larson Declaration (Vol. II), pages 149-150, 166.

The testimony lacks foundation of personal knowledge. (FRE 602.) The witness states, "To me, my understanding, the buildings probably were not complete . . . the project hasn't been completed and capitalized . . . I don't think it was completed." No testimony is submitted to establish that the witness has personal knowledge of when the buildings at Yard 105 were complete and when the yard was operational. Indeed, the witness equivocates, saying that to his "understanding," he "thinks" the buildings "probably" were not complete.

Copart is bound by the testimony of its Rule 30(b)(6) witness. In response to US Fire's Rule 30(b)(6) deposition notice, Copart designated and produced Richard Kruse, vice president of operations, to testify on the subject of Copart's operations at Yard 105 before and after the

1 hurricane. (Ruby Decl., Ex. 38 at 5:9-17, 6:16-22, 8:15-22, 9:3-8, 10:6-14.) Based on superior
2 (and apparently personal) knowledge, Kruse testified that Yard 105 was “fully operational” in
3 late July 2005. (Id. at 20:9-15; see also 11:18-12:20, 13:4-23, 15:18-21, 30:6-11.)

4
5 The Court should sustain US Fire’s objections and exclude the evidence cited above
6 from consideration.

14
15 VIDEOTAPED DEPOSITION OF SIMON ROTE,
16 taken on behalf of Defendant United States Fire Insurance
17 Company, at Bullivant Houser Bailey PC, 601 California
18 Street, Suite 1800, San Francisco, California, beginning at
19 9:02 a.m. and ending at 3:57 p.m., on Thursday, May 8, 2008,

02:31 1 A At first, yes.

2 Q Okay.

3 A I thought Patrice sent this in, so -- or
4 not Patrice, but Shari Meyers.

02:31 5 Q Okay. So now you said at first you were
6 the contact person. Did that change at some point?

7 A Well, obviously, for the adjuster to deal
8 with, they needed a local contact. So they had to
9 deal with the general manager, and then also with
02:32 10 our property manager, our national property manager,
11 Mike Carson.

12 MR. RUBY: Okay. This will be 24.

13 (Defendant's Exhibit 24 marked
14 for identification)

02:32 15 BY MR. RUBY:

16 Q Okay. Exhibit 24 is from the Copart
17 production. As printed, it's an e-mail chain. And
18 the lower e-mail is November 1st, 2005, from
19 Mr. Rote to Ms. McIntyre.

02:33 20 And why don't you just take a look at it,
21 and then I'm just going to ask you some questions
22 about it.

23 MR. LARSON: Let me -- just in accordance
24 with our stipulation about authenticity, there is a
02:33 25 handwritten notation on page Copart 00023 that's not

02:33 1 an original. So I don't believe that is part of the
2 authentic document.

3 MR. RUBY: Oh, okay.

4 MR. LARSON: Where it says "really
02:33 5 11/1/05," I don't believe that's on the original.

6 MR. RUBY: No. That's my highlighting,
7 which somehow copied.

8 Okay. We'll get to that, though, because
9 that's going to be a question.

02:34 10 THE WITNESS: Okay.

11 BY MR. RUBY:

12 Q Okay. Ignoring the top e-mail, which is a
13 forwarding e-mail a year later -- we'll get to that
14 when we get to that year -- and just looking at your
02:34 15 e-mail of 2005, do you remember what prompted you to
16 send this e-mail?

17 A After this -- this was produced after the
18 claim, just trying to get an idea of the extent of
19 the damage. Just dropping in what we thought the
34 20 amounts were.

21 Q Okay. And the attachment here is a
22 Statement of Values?

23 A Right.

24 Q Okay. And you were forwarding to
25 Ms. McIntyre a Statement of Values with your e-mail,

02:34 1 right?

2 A I believe so, yes.

3 Q And you say in your e-mail: "I made some
4 guesses since Willis is out of the office." What
02:35 5 did you mean by that?

6 A With respect to property values, based
7 upon my knowledge of what -- what I thought, what
8 type of building was going up there, I took our
9 standard building values and to drop those numbers
02:35 10 in.

11 Q Did you take one of the Statement of
12 Values that you had received before this date from
13 Marsh and one of the ones that still had some blanks
14 in it and then put some numbers into those blanks?

02:35 15 A I mean, I would have assumed it would have
16 been the September 14th one, yes.

17 Q Okay. So you took the September 14th
18 statement that we've already looked at that had some
19 blanks in it --

02:35 20 A Correct.

21 Q -- and you filled in at least some of
22 those blanks? That's what you mean by "I made some
23 guesses"?

24 A Yes. And updated some values.

02:35 25 Q Okay. And then you sent it back to her,

02:35 1 and it looks like even though you sent it to her on
2 November 1st, you didn't change the date of the
3 statement; you kept the date of the statement as it
4 had come to you?

02:35 5 A It would appear I didn't update the date,
6 yes.

7 Q Okay. And Mr. Larson is right, I wrote in
8 "really 11/1/05" there, and I didn't mean that to
9 show in.

02:36 10 A Okay.

11 Q But would you agree with me that, in fact,
12 if you had updated the date on this statement when
13 you sent it to her, you would have put in the date
14 of your e-mail?

02:36 15 MR. LARSON: Objection; speculation.

16 THE WITNESS: I'm not sure of the exact
17 date I would have updated the schedule. It would
18 have been approximately around that date, though, I
19 would assume.

02:36 20 BY MR. RUBY:

21 Q Okay. And all I mean by that is just to
22 eliminate some confusion we all had in this case
23 earlier, that you sent her a statement with a date
24 on it, but you had actually put some information in
36 25 there that was not on that statement before, right?

02:36 1 A Correct. But once again, when you're
2 dealing with spreadsheets, as we noted earlier, you
3 had the 8/8 one, the same date is on it, a different
4 date on it. So when you're updating spreadsheets,
02:36 5 it's easy to overlook an item there.

6 Q Okay. Right. And I'm not saying it's a
7 big deal that the date wasn't changed. But just for
8 clarification, I think we've established that what
9 you sent Ms. McIntyre on November 1st, 2005, it
02:37 10 wasn't just the same statement she had sent you back
11 in November; you had made some changes to it and you
12 were sending it back to her, correct?

13 A Yes.

14 Q Okay.

02:37 15 All right. Now, looking at the statement
16 that's part of this exhibit, if we go to Yard 105,
17 we will see some values in columns that were
18 previously blank?

19 A Correct.

02:37 20 Q So I want to ask you about those values.

21 First of all, in the Building and
22 Improvements column, we now see a value of 750,000,
23 right?

24 A Yes.

02:37 25 Q Is that a number that you supplied?

<<Copy of Property Statement of Values 9-14-05 (2).xls>> Patrice, I made
some guesses since Willis is out of the office. Let me know if you need
anything else. It appears yard 70 and 105 have the most damage.
Let me know once an adjuster has been assigned so I can let my property
managers know.
